DETAILED ACTION

Allowable Subject Matter

1. Claims 1-18 are allowed.
2. The following is an examiner's statement of reasons for allowance: A device processing circuit that comprises a gain determining circuit with a gain factor, a first gain controller to control an amplitude of an input signal with the first gain factor, a compensating circuit to determine a second gain factor based on the first gain factor and input parameters defining a time variation of the second gain factor, a second gain controller to receive the output of the processing circuit and the second gain factor to obtain a compensated output signal.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Peguy JeanPierre whose telephone number is (571) 272-1803. The examiner fax phone number is (571) 273-1803.
